

NEW PROGRAM PERMITS SUBS BETWEEN WHEAT AND GRAIN

To permit greater flexibility in farm operations, substitution between wheat and feed grains will be authorized under the 1965 program J. E. Nix, Chairman, Agricultural Stabilization and Conservation Jones County Committee, said today, announced early so that summer fallow operations for next year may take place promptly.

Agricultural legislation provides for such substitution in the 1964 and 1965 wheat and feed grain programs, but it could not be put into effect for 1964 because of the lack of time.

The chairman explained that the substitution will apply on individual farms only of the farm has a feed grain base or

oat-rye base, and a wheat allotment. The substitution provisions may be used by producers who meet at least the minimum diversion for both wheat and feed grain.

As this year's wheat program, marketing certificates will be issued in 1965 to program cooperations; however, the number of certificates allocated to a farm will not be increased because of the substitution of wheat for feed grains. The certificates will be provided for the smaller of (1) the normal production of the wheat acreage allotment, multiplied by the domestic and export allocation percentages — which will be announced later; or (2) the wheat acreage planted for harvest multiplied by the normal yield.

The total wheat production of producers who carry out wheat program provisions will be eligible for price-support loans even though the wheat acreage is in excess of the wheat allotment because of the substitution provisions.

When feed grains are grown in place of wheat, the feed grain production of program cooperators will be eligible for price - support loans. If support price payments are authorized as a part of the 1965 feed grain program substitution of feed grains for wheat will not increase the payments available; the price-support payments will be limited to the normal production of the feed grain base less the diverted acreage (at least the minimum diversion under the feed grain program.)

If a producer requests it, an oat-rye base will be established on the basis of the farm's 1959-60 average oat-rye acreage as adjusted. Wheat may be substituted for such crops. However, corn, grain sorghum, or barley may not be planted as a substitute for the oat-rye base acreage. If an oat-rye base is established, the producer will need to meet the minimum diversion for it also.

Cecil Terrell Sells Radio, TV Shop

Cecil Terrell, owner of Terrell Radio and T. V., has announced the sale of the business to Frank Shearer and Joe Aaron who will operate it as Hamlin Radio and T. V.

Shearer, a native of New Mexico, is married to the former Margaret Aaron of Rotan. They have three children, Carol, 11, Frank, 9, and Carl, 3. They are members of the Church of Christ.

Aaron was born in Rotan. His wife is the former Julia Rivers, also of Rotan. They have four children, Belinda, 5, Doris, 3, Toni, 2, and Frankie Ruth, 6 months. They are also members of the Church of Christ.

The Shearers are living here now and the Aarons plan to move here in about two weeks. Both men have recently received their discharges from the Air Force.

More Books at Harden Library

Additional books have been placed on the shelves of Harden Memorial Library, according to a list released this week by Mrs. Jesse E. Johnson.

The books and authors are as follows: "A Bell for Adona" by John Hersey; "A Taste of Violence" by Britt Holliday; "Blondie, Dagwood, Marvelous Invention" by Chick Young; "Place At Bowling Green" by Alfred Leland Crabb; "Arundel" by Kenneth Roberts; "Brave Pursuit" by Marguerite Allis; "The Wooden Lady" by Carolyn Keen; "The Scientists" by Eleazar Topsy; "Moon Gap" by Ann Chidester; "The Coriolis Affair" by Mary Deasy; "Pillar Of Cloud" by Jackson Burgess; "The Sunlit Ambush" by Mary Derby; "Blue Hurricane" by Van Wyck Mason.

Mrs. Johnson said Tuesday that several books were out of the library that need to be returned. Also, there is still a need for children's books to be added to the library.

QUEEN CONTESTANTS AT HAMLIN RIDING CLUB RODEO

'Fish Day' Winners Told: To be Held Each Monday

"Fish Day" at Hamlin Foundation Swimming Pool was termed a huge success even though the five fish died. A perch was obtained and was turned loose five times to give the crowd a chance for the five passes good for five weekday swims each.

Winners, as announced by Dan Truelove, operator, were John Turner, 9, Paul Long, 14, David Thompson, 9, Larry Robertson, 10, and Mike Bookman, 13.

"Fish Day" is held at 3 p.m. on Mondays with five fish being turned loose, three in the shallow water, and two in the deep end.

Swimming lessons will get underway at the pool Monday, June 22, at 9 a.m. The class for intermediates will be held first followed by the beginners and advanced swimmers. Registration in each of the classes has been extended to Monday morning.

The beginning class will teach the basic fundamentals of breathing and strokes. The intermediate class will review the basic principles and is designed to instruct the swimmer in increasing the strength and efficiency of each stroke.

The advanced class will continue the teaching of strokes, dives, the fundamentals of life saving, artificial respiration, water safety, etc.

Lessons will be given over a three week period with each swimmer receiving 10 instructions. Price for the lessons will be \$10 per person.

The pool will be closed on Thursday instead of Wednesday beginning June 25. Truelove announced Wednesday.

Mrs. Camille Simmons was in Abilene June 8-10 attending an Area IV in-service training of homemaking teachers.

JAYCEES SET JUNIOR GOLF TOURNEY HERE

The Hamlin Jaycees will sponsor a Junior Golf Tournament here Thursday June 25, according to C. R. Dansby, president. The tourney will be a part of a state-wide Jaycee project.

Dansby has appointed Lane Fletcher as chairman of the local contest.

The tourney will start at 1 p.m. and will be medal play in two divisions, novice and open. There will be two trophies given in each division and the top two golfers in each division will complete in a regional tourney in Stamford June 30 and July 1.

All entrants must not have reached his 18th birthday before August 15, 1964, to be eligible to participate.

A novice is defined as one who has never participated in a state or national tournament, this includes any interscholastic league tournament or Jaycee sponsored tournament in golf, and who does not consistently shoot in the 70's.

Boys interested in competing in the tourney may call Fletcher at SP 4-1595 or write to him at 531 N. W. Ave. F, Hamlin.

At Girls State

Nancy Ford, daughter of Mr. and Mrs. H. L. Ford, and Mary Lois Patterson, daughter of Mr. and Mrs. La Foy Patterson, are in Austin this week to attend Girl's State on the campus of the Texas School for the Blind. The girls, both seniors this fall, are sponsored by the American Legion Auxiliary of Silverstar and the Hamlin Rotary and Lions Clubs.

The meeting is held June 17 through June 26.

TWO HORSE SHOWS AND SALE PLANNED DURING 'REUNION'

At least two important horse shows and a sale of blooded horses will be held this year during the Texas Cowboy Reunion, in Stamford July 2-3-4.

Over the Southwest have Webb, known to Palamino owners as Cecil Eager and Mrs. B. R. arranged a Palomina show with more than 50 entries, starting at 9 a.m. on the morning of Saturday July 4th. This is a fully approved P.H.B.A. show and the judges will be so approved. Show points to be awarded both horses and owners.

Between halter classes and performances classes, this year is instituted a "youth class" for any kind or color of horse, must be ridden by 15 year old, or younger boy or girl. This class to be judged 75% on horsemanship and 25% on horse. There will be trophies and ribbons for all participants. Entrance fee in this event is to be only \$2.

Romer Merriott announces that Cattleman's Roundup for

Crippled Children will this year hold a horse show on July 2 at the Reunion horse show headquarters at 1 p.m. Merriott said "Morrison and Carlisle sell to the West Texas Rehabilitation firm are holding the auction without charge, proceeds to go to the Center, Abilene. Many of the same cowhands who work in the show arena — are users and purchasers of good cowhorses — and we feel the combination of the Texas Cowboy Reunion and a charity sale of good horses is a fine thing."

Merriott further stated "there will be 31 classes in the registered quarter horse show including halter and performance horses; judged by the well known Russell Moore of Plainview. Halter events will begin at 8:30 July 2 and performance quarter horses will workout early July 3. In the barrel race we have reversed the field — so there is no chance of injury to the riders. A total of 250 horses are needed for a class "A" show and we will have them at the Cowboy Reunion.

Local FFA Officers Attend Training School in Ruidoso

Officers for 1964-65 of the Hamlin Chapter of Future Farmers of America attended an officer training school June 10-13 in Ruidoso, N. Mex. They were accompanied by their sponsor, Mr. Wilburn Wink.

Attending were Holman Jones, president; Mike Smith, secretary; Jimmy Hawkins, reporter; and Tommy Ferguson, sentinel.

The boys were familiarized with the duties and responsibilities of their respective offices.

The group also discussed activities of the local chapter for the coming year.

Five From Here To Attend McMurry Band School in July

Abilene — Five teen-agers from Hamlin were accepted as students to attend the 17th Annual McMurry College Band and Twirling School, July 12-25.

Scheduled to receive specialized training at the two-week school are Sharon Renee Nail, flute; Terese Elaine Perrin, flute; Patricia Perrin, clarinet; Cindy Bryant, clarinet; and Lynn Brannon, bass clarinet. The five youths will also receive twirling instructions at the clinic.

More than 200 students have enrolled for the two-week summer band school with over 400 students from all over Texas expected to attend the band school for specialized training.

Dr. Raymond T. Bynum, director of the band and director of the McMurry College Band, and several other band directors and twirling specialists will be the instructors for the school.

Classes will offer specialized training in individual instruments, conducting, marching, stage band, theory, concert band, twirling and drum majoring.

Besides the band training, several other sponsored activities will be held for the students attending the school. Many of the students will live on the campus of McMurry in dormitories during the two-week school.

The school is still open to students interested in attending the specialized school, according to Dr. Bynum. More information about the band clinic can be obtained from Dr. Bynum.

Singing Sunday

The Jones-Fisher County Singing will be Sunday, June 21, at the Foursquare Church at 2:00 p.m. They have their new books and are expecting a large crowd of good singers. Everyone is invited.

Bridge Results

Jack Russell and Gene Knabe won first in the Hamlin Duplicate Bridge Tournament. Mr. and Mrs. Henry Albritton won second and Mrs. Gene Knabe and Mrs. Floyd Briscoe were third.

The next meeting will be Tuesday at 7:00 at the Oil Mill Guest House.

Heavy Rains Delay Rodeo

The first two performances of the Hamlin Amateur Rodeo were well attended after the show finally got underway here Monday evening. The show originally scheduled for June 11, 12, 13, was postponed because of rains on each of the days which totaled 2.43 inches.

Sunshine Monday and Tuesday was a welcome sight to the contestants and members of the Hamlin Riding Club, sponsors of the annual event.

The downtown parade at 4 p.m. Monday started the festivities. The riding clubs taking part in the parade were given trophies following the grand entry Monday evening. First place trophy was presented to the Stonewall County Sheriff's Posse, second to Stonewall Junior Posse and third place went to the local club.

Results of the first go round as tabulated Wednesday by the rodeo secretary, Mrs. T. W. Fleniken, follows:

BAREBACK RIDING: Keith Loyd Colorado City, 42 pts.; Sidney Johnson, Eyneder, 41 pts.; Sammy Wilson, Slaton, 27 pts. Only three have qualified.

CALF ROPING: Mac Baggett, Merkel, 11.7; Joe Templeton, Abilene, 12.6; Jerry Knox,

Quannah, 13.3; Tommy Wilson, Abilene, 14.5.

CALF ROPING 45 and OLD: Mike Sims, Abilene, 15; R. D. Whitley, Crosbyton, 16.6; Robert Koonce, Jayton, 20.6

BARREL RACE: Debby Ferguson, Petersburg, 18.9; Marie Voss, Snyder, 19.3; Dorothy

Bourland, Colorado City, 19.4; Myrtle Davis, Merkel, 19.6.

HEAD AND HEELING: Kenneth Mauldin-Oris Reynolds, 17.1; Glen Murphy-Burl Hittson, 18.5; Red Whitley-Boyce Hart, 21; Truman Mauldin-Kenneth Mauldin, 23.7.

BAREBACK RIDING: Montie Elms, Killeen, 50 pts.; "Squirrelly" Norheutt, Colorado City, 48 pts.; Wayne Cleghorn, Lamesa, 45 pts.; Bob Lockhart, Breckenridge, 35 pts.

Monday evening the calf scramble for six year olds and under was won by Jerry Don Johnson who received a belt buckle.

The top three goat sackers were Gary Kendrick, Robert Bolden and Robert Bookman.

Monday evening flag race winners were Brenda Reese of Aspermont, first 11.5; Steve Gibson, second 11.6; Debbie Elmore, third, 12.1.

Marolyn Reynolds received the steak dinner for the lucky program number.

Tuesday evening's children's events were won by the following:

Calf scramble, six years old and under, Jamie Law of McCaulley.

Goat sacking, 12 years old and under, Donald Bookman, first, Maxine Murphy, second, and third Paul Porter.

Flag race, Craig Diddle, Clay-tonville, 11.1; Karen Ford, Lueders, 11.4; Debbie Elmore, 11.5.

Mitzie Hunter was winner of the two steak dinners.

The rodeo queen was to have evening performance. The winner named at the Wednesday show and other finalists in the show will be given in next week's issue.

Contestants include Kay Hodnett, Sharce Nail, Debra Blanton, Judy Jenkins, Pat Perrin, Sharon Hawkins, Jane Carol Turner and Anna Adams.

Six County 4-H'ers Attend Leadership District III Camp

Six Jones County 4-H Club members attended the Extension District III 4-H Leadership Camp which was held in Lueders on Monday, Tuesday and Wednesday of this week, according to County Extension Agents, Mary Y. Newberry and Kirby Clayton.

At Camp, the group participated in such activities as Wildlife, Recreation, Money Management, Photography and Plant Life. Each group was taught by a specialist in his particular field from Texas A & M University. Other activities included swimming, washers, horseshoes, ball games and special stunts and games for the night parties.

The Leadership Camp is held as a part of the training offered 4-H Club members in the state of Texas for Junior Leaders.

Those attending from Jones County were: Gil Laid, Andy Armstrong, Barry Olive, Nan Vaughn, Karen Sullivan and Janis Hill.

The group were accompanied to camp by Extension Agents Kirby Clayton and Mary Y. Newberry.

County Holding Oil, Gas Hearings

Jones County Commissioners Court started setting Tuesday as a Board of equalization, hearing objections to oil and gas valuations.

It was originally planned to have hearing on real estate this week also but new valuations are not ready.

McMorries and Co., contractors in the county-wide valuation survey, said a total figure would be available this week but additional work must be done before notices can be sent out for hearings.

Hamlin Rebels Lose To Key Cityettes

The Key Cityettes of Abilene defeated the Hamlin Rebels Tuesday night 18-4.

The Rebels go to Hermleigh Friday night. Hamby, backed by their pitcher, Brenda Jackson, will be in Hamlin to play the Rebels Monday night at the City Park. The game will start at 8:00 p.m.

PHILOSOPHER SEES DAY WHEN POLITICAL SPEECHES WON'T BE NECESSARY ON T. V.

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 apparently has heard about the computer machines the television industry is using, his letter this

and Mrs. August Balzer of Sagerton last Sunday.

Doyle Hertenberger and his girl friend from Archer City and Donnie Hertenberger from Abilene spent Sunday night with Mr. and Mrs. Beno Hertenberger.

week indicates.
Dear editor:

As I understand it, a lot of people are complaining because the television companies' computer machines are now announcing the results of election before the elections are over.

They say this is unfair, that a man started to the polls late in the afternoon and hearing that somebody has already been declared the winner, will stay at home, although I doubt this, as he knows good and well there won't be anything else on television that evening anyway except election returns.

None the less, some Congressmen want to pass a law prohibiting the machines from announcing their verdict until the polls have closed.

This is an issue which I find it hard to get involved with. I just don't have any feelings toward machines, one way or another. I'm just not emotionally involved, although I'll admit I've said a few unkind things about my tractor when it wouldn't start, which is offset by the fact there have been times when it suited me even better because it wouldn't start. I've never been to one to consider a piece of machinery or a human being useless just because neither was out burning up the miles. A man and a machine both ought to be allowed to refuse to budge for no reason at all if the mood strikes.

But back to the election computers. If the television industry's machine can accurately and without fail predict the outcome of an election, just by looking at a few isolated votes, why can't the newspapers perfect a machine that'll predict

what the television machine will say?

Then of course television can counter with one that'll predict what the newspaper machine will predict about the television machine will predict, on so on, back and forth, until you can be informed how an election will come out five years before it's held.

Obviously, with elections thus pre-determined and pre-announced, there'd be no need for campaign speeches on television and a man could turn on his set and get Wagon Train when Wagon Train is supposed to be on. Or if somebody feels he has to deliver a speech, hook him up to the computer and let him deliver it to it.

Yours faithfully,
J. A.

Solid Tent Anchor

To anchor your tent on soft ground, get a log about the length of the tent, fasten the ropes to it and bury the log about a foot in the ground. It will hold in a stiff breeze.

Salt Box Pait Box

A one-pound salt box makes a perfect container for carrying crickets and grasshoppers. Punch in a few breathing holes, pull out the spout and slip in the insects. When you are ready to fish, open up the spout

and drop them out, one at a time.

Individual tourists entering Mexico from Texas in the first nine month of 1964 showed an increase of 123,930 over the same period in 1962.

Mr. and Mrs. Vesta Townley and Bob from Huntington Beach, Calif., are visiting Mr. and Mrs. Everett Townley, Mr. and Mrs. Jack Townley and Mr. and Mrs. J. E. Beards this week.

Mr. and Mrs. W. E. Newsome attended the funeral service of his cousin, G. G. Richardson, in Abilene at Elliott's Funeral Home Tuesday morning.

MR. AND MRS. CURTIS CARTER MAKING THEIR HOME HERE

Mr. and Mrs. Curtis Joe Carter are making their home here

at 446 West Lake Drive following their marriage in Albany June 6. The bride is the former Teena Gene Abbott, daughter of Mr. and Mrs. Gene Abbott of Albany. The bridegroom's parents are Mr. and Mrs. C. T. Carter of Hamlin.

The wedding was solemnized at 8 p.m. in the fellowship hall of the First Baptist Church. Rev. Marion E. Kirchner, pastor, conducted the double ring ceremony.

The bride, given in marriage by her father, wore a street-length dress of white silk organza, designed with full skirt, molded bodice and three-quarter length sleeves trimmed with lace. Her fingertip veil of silk illusion was caught to a coronet of iridescent sequins. She carried a cascade arrangement of white Frenched carnations atop a white Bible.

She was attended by Ginger Dennis as maid of honor. She wore a blue two-piece dress of dacon, designed with front tucking and long sleeves. Her corsage was of white Frenched carnations.

Ronnie Parsons of Roby was best man.

Janet Dodgen was pianist. Mrs. James Garvin was soloist. ceremony, Grace Carter, sister fellowship hall following the

The reception was held in the of the bridegroom, registered guests.

Hamlin High School this fall. High School. She plans to enter The bride attended Albany She will be a senior.

Carter is a 1962 graduate of Hamlin High School and is employed by Celotex Corporation.

3-Day Workshop On Hats Planned

A three-day hat workshop has been set up for June 23, 24, and 25, according to Mrs. Camille Simmons, homemaking teacher. The workshop will be held in the clothing lab at the high school.

Anyone interested in making hats is invited to attend the workshop sessions which begin at 2 p.m. each afternoon.

MRS. WILBUR GENE MURFF
... formerly Fredda Bonifield

FREDDA BONIFIELD AND GENE MURFF WED IN CORPUS CHRISTI

Mrs. Julia Bonifield of Big Spring has announced the marriage of her daughter, Fredda, to Wilbur Gene Murff, son of Mr. and Mrs. Joe O. Murff of Hamlin. The bride is the daughter of Mrs. Bonifield and the late Mr. Fred Bonifield.

The couple were married in the First Methodist Church in Corpus Christi April 24. They are now residing at 1211 Post-office in Galveston.

The bride, an honor graduate of Big Spring High School, attended the University of Texas in Austin and is now a senior nursing student of the University of Texas at Galveston.

Granddaughter Honored in Nebr.

Nancy Lorenz, granddaughter of Mrs. W. R. Redus, was installed as worthy advisor of Westside Assembly 22, Order of Rainbow for Girls, in May at the Centennial Masonic Temple in Omaha, Nebr.

Miss Lorenz is the daughter of Mr. and Mrs. A. W. Lorenz Jr. of Omaha. Mrs. Lorenz is the former Wilma Redus. She was graduated from Hamlin High School.

Sellers to Meeting

Mr. and Mrs. Cecil Sellers will attend the 1964 Livestock Marketing Congress to be held in Richmond, Va., June 18-21.

Included in the events of the Congress are the annual convention sessions of two livestock industry trade associations, the Certified Livestock Markets Association and the National Livestock Dealers Association. Sellers is president of the NLDA.

BIRTHS

Mr. and Mrs. Paul Radolfo Ramon of Rotan are the parents of a baby boy born June 14. He weighed 6 lb. 13 oz. and was named Omar.

Barry Cheshier left Monday for an eighteen month tour of duty in Nicosia, Cyprus. He will work in the American Embassy handling dispatches. He will spend one day in Rome before arriving in Cyprus.

Johnny Stovall is enrolled at Hardin-Simmons University, Abilene, not Southern Methodist University, as erroneously reported last week.

Mr. and Mrs. Bob Craig will attend the 85th annual summer convention of the Texas Press Association to be held June 18-21 in the Shamrock Hilton Hotel in Houston.

Keith Greenway of Andrews is visiting with his grandparents, Mr. and Mrs. Norman Carlton.

Mr. and Mrs. Otto Williams of Dalhart visited last week with her brother, E. C. Feagan, Mrs. Feagan, and other relatives. Mrs. Williams is the former Lucy Belle Feagan. They were married here more than 30 years ago and then moved to Dalhart.

Jones County Rally Day to Be Held in Anson June 25

The Annual Jones County Home Demonstration Rally Day will be on Thursday, June 25 at the Anson Lions Club Hall.

Registration will begin at 10:00. Recreation will follow at 10:30 to 11:00 led by Mrs. Carl Young, Home Demonstration Council recreation leader. Before the covered dish luncheon at 12:00, there will be a preview to the Comic Style Show

with Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent, as commentator. The Comic Style Show will be on August 28 at Anson. Details are to be announced later.

After lunch, there will be a white elephant exchange time and entertainment by the different Home Demonstration clubs. The Home Demonstration recreation leader of each club will be responsible for 5 to 7 minutes of entertainment.

Visitors in the home of Mr. and Mrs. Norman Carlton Sunday were Mmes. Carl Carlton,

Joe Carlton, Cecil McCafferty, Walter Osment, and Miss Sara Carlton, all of Stamford.

FAIRVIEW NEWS

By MRS. ELMER JOINER

This has been a wonderful week, weatherwise, since we have had over four inches of rain, falling three different mornings. No wind, very little turbulence of any kind, just a nice gentle rain. However, some sectors of the country were not so fortunate, having bigger, washing rains, but all in all the rain was wonderful, for which we are all very thankful. Little cotton looks

as if it grows an inch every day, maize which was in a critical stage, will make a good crop now, so every one should be very happy, especially the farmers.

Regardless of the good things that happen in our lives, there are always the sad things too, and when we see our friends in sorrow, we sorrow with them. Our sympathy goes out to the family of Mrs. Billy Holmes,

who passed away last Wednesday, in an Abilene Hospital, after having had surgery the Saturday before.

Mrs. Holmes was buried Thursday, in Anson, and was the daughter-in-law of Mr. and Mrs. Larry Holmes, who are well known in our community. Her brother, Gary Blankenship, also resides here on the Rufus Herbst place, besides the Flavil Holmes, uncle of her husband. Relatives attending from other places were: Mr. and Mrs. Clinton Holmes and family, Plainview; Mrs. Carl Logan and son, Brownfield; Mrs. Danney Cohan, Ronnie and Julie, El Paso; Mr. and Mrs. Terry Holmes, Odessa; Mr. and Mrs. Glen Green and girls, Albuquerque, New Mexico.

Mr. and Mrs. Glen Green and girls, spent Wednesday night and Thursday with Mr. and Mrs. Flavil Holmes. Other visitors last week with the Holmes was their son, Mr. and Mrs. Jimmy Holmes and Melody, spending the week, enroute from Taft, Texas, to Midland, where they will make their home until school starts in the fall, when they will move to Big Spring, as Jimmy will teach there in the school system.

Mrs. Woodrow Goodwin went home from the Hamlin Hospital, last Tuesday morning, after having had surgery the week before. She hadn't felt very good since coming home, but at last report Sunday, she was improved.

Visitors in church Sunday morning were Mr. and Mrs. Greenway and daughter, who live in Newcastle, Wyoming. They are here visiting his father, Roscoe Greenway of Hamlin, having just ended a visit with his sister, Mr. and Mrs. Barron and boys, of Borger.

Mr. and Mrs. Fred Rosenbaum went to Waco, Sunday, to attend the annual Downey reunion. They came back by Fort Worth, where they spent the night with her brother and family, D. T. Downey.

Mrs. Mary Sue Henry, Rule, was a dinner guest of Mr. and Mrs. E. A. Henry, Sunday.

Mr. and Mrs. Henry went to Snyder Saturday, to visit their son, Clois, and family.

Sonny Joiner, San Antonio, stopped off both Thursday and Sunday, for a short visit with Mr. and Mrs. Elmer Joiner, enroute to Carlsbad, New Mexico, to attend a former prisoner-of-war meeting. Most of the men captured on Bataan by the Japanese, were from New Mexico, but even though it was for residents of that state, they also invited any from the surrounding states. Mr. Joiner did not see any of the men that were with him in the coal mines in Japan, but he did meet two that were on the ship, going over to that place from the Philippines.

Mr. and Mrs. Winson Gray went to Anson, Saturday night, where they visited with his parents, Mr. and Mrs. E. C. Gray. His sister, Mrs. Aubrey Skipper, of Alvarado, Texas, was also present.

Mr. and Mrs. Bill Clements, and Sherry, came from Lubbock, last Thursday and visited with Mr. and Mrs. Jack Wright and children.

Weldon Wainscott, who lives in Gary, Indiana, son of George Wainscott, is in the Mayo Clinic, at Rochester, Minnesota, where he is taking treatments

for lung cancer. The doctors are hopeful that the treatments will be successful, may we remember him and his family, in this time of worry.

Since it has been some time that we haven't reported on Miss Maude Drake, who had eye surgery some time ago, will say that she can see and is carrying on a normal life again, and is still happy over getting her sight restored.

Jerry Joiner, Odessa, visited last week with his grandparents, Mr. and Mrs. Elmer Joiner and Mr. and Mrs. Charlie Durham, and with Larry McCoy.

Blackeyed peas should be plentiful out our way pretty soon, as most folks had a little patch planted, barely holding on in the dry weather, but since the rain they will soon make peas being one of the staples of West Texas.

Mrs. Mary A. Moore, Consultant for Area IV, Homemaking Education, Texas Education Agency, visited with Supt. C. F. Cook and Mrs. Mamie Simmons, homemaking teacher, at Hamlin High School Tuesday.

Dr. J. R. Schwartz, a New York dentist, carves ivory as

PFC Lloyd Woolf Now at Fort Gulick

FORT GULICK, C. Z. (AHTNC) — Army PFC Lloyd C. Woolf Jr., whose parents live in Hamlin, was assigned to Fort Gulick, C. Z., May 29.

Woolf is assigned as a radio operator in Company B of the 8th Special Forces Group's 1st Battalion at the fort.

The 20-year-old soldier entered the Army in August 1962 and completed basic training at Fort Polk, La.

He attended Hamlin High School.

Certain areas of the ocean can produce about 1,000 pounds of shrimp per acre annually.

ALL APPROVED OIL COMPANY CREDIT CARDS ACCEPTED

NEW HERBICIDE RECOMMENDED FOR JOHNSON GRASS CONTROL

Disodium Methantarsionate (DMA), a relatively new herbicide is now recommended on a trial basis for the control of Johnson grass in cotton, according to information this week Kirby Clayton.

DMA may be applied with a tractor sprayer, but the nozzle adjustment must be arranged so as to lateral the spray in under the cotton leaves, says Clayton. It is not recommended as a topical or foliage spray.

The first application can be made when the cotton is 3 inches tall, and two applications, if properly applied, may be made per season without injury to the cotton. The second application is usually applied one to three weeks later. Under no conditions should the cotton

be sprayed with DMA after it starts blooming. Spraying after the cotton starts blooming will result in arsenic residue in the cotton seed as well as reducing the yields of cotton, says Clayton. Arsenic residues can be picked up even in the check samples. However, when used in accordance with the directions, the level of arsenical residue found in the seed is not significantly increased. Over-the-top applications at any stage of growth raised the level of arsenical residue in the seed significantly.

Misuse of material could result in the material being pulled off the market for use on cotton.

DMA will be marketed in both a liquid and powder form. The powder goes into a true solution and once mixed, there is no need to worry about it staying suspension.

Mix at the rate of four to six pounds of 63% powder per 50 gallons of water and one quart of surfactant. Apply this mixture as a directed spray at the rate of 12 gallons per acre on a 12 inch band. Do not store spray solution in tank for prolonged periods of time, and clean application equipment thoroughly after use by flushing out with water.

Complete plans for rigging up a tractor spray for use with DMA are available at the county agent's office.

One final word of caution from the agent—Be sure and

NOT EVERYONE ELIGIBLE FOR SOCIAL SECURITY BENEFITS

"More than once I have been asked, 'does everyone who applies for social security benefits get paid?'" says R. R. Tuley Jr., Abilene district manager for the Social Security Administration. "The answer, of course, is 'no,' something difficult at times to say to someone who believes he is due payment."

"However, the Social Security Administration has an obligation to the public," Tuley went on, "particularly to the contributors to the social security trust funds, to make certain that benefits are paid only to persons entitled to them. The fact that a claim is

denied reflects no discredit upon persons who file in good faith and make no attempt to deceive or mislead the Administration."

"We have other protective responsibilities," he added. "We must make sure that benefits paid to one person for the use of another are actually used to benefit the other person. This situation arises in several ways. A minor child, or an incompetent adult may not have a parent to act on his behalf. We are careful in selecting someone to act as payee in such cases. Once a person is selected, he is informed of this responsibility in properly expending funds for the use and benefit of the child or incompetent adult. We do not just start the payments

and then forget the matter. Periodic checks are made to make sure the funds are handled properly and benefit the claimant."

"We sometimes receive telephone calls or letters from people asking if it is necessary to select a substitute payee when a beneficiary becomes physically unable to sign his or her own name because of injury, arthritis or similar impairment. As long as the person's mental condition does not prevent him from managing his or her funds, the check can be endorsed by mark and properly witnessed. Full instructions are on the back of each Federal check," Tuley reminded.

He added that the public is always invited to write the Social Security office in Abilene at any time a question needs answering.

Coral snake bites are fatal in about 20 per cent of the cases.

Fast Draw Aid

A mixture of graphite powder and vasoline rubbed inside a pistol holster makes it much easier to remove your handgun. Should be a big help to the fast-draw artist, too.

Floating Fish Stringer

Ever had a stringer of fish slip from your grasp and sink from sight? Sickless sensation isn't it? A good preventative is to add a float to the stringer. Then, should it break loose or slip from your hand, there's no problem in recovering it.

Improved Gun Cleaner

A first-rate gun cleaning rod can be improvised from a piece of flexible cable with pipe cleaners wrapped around it. An old speedometer cable will do.

The fangs of the cobra are smaller than those of the rattlesnake but its venom is more toxic.

For a child or an adult to achieve properly and efficiently they must have good vision. Only a vision specialist giving thorough examination can determine your visual needs. A thorough examination takes time.

Beef Facts

Safeway beef prices are down. The you can check for yourself. Safeway beef sales are up. Up to as much as the U.S. increase in beef consumption, proving the effectiveness of Safeway's program featuring the outstanding values that beef offers. Safeway does not own, raise or feed any livestock, either directly, on contract or in any other way—and does not own or operate any meat slaughtering plants. Safeway has everything to gain by working for, not against, the prosperity of beef producers. Families of producers, feeders, shippers, and local businessmen directly dependent on agricultural income are very important to us as customers—and we spend our money to supply us with the quality and quantity of beef required to satisfy our customers.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — A study of the recent party primaries and run off elections reveals that the number of Republican candidates on the upcoming General Election ballot in the grassroots area, will strengthen the ever-growing trend toward a complete two-party state.

Also, the Republican party is engaged in one county judge race (in Lubbock County); seven races for county attorney; two for county clerk; 12 for county tax assessor; two for county superintendent of schools; and 78 for county commissioner.

GOP also has candidates for most top state posts and more than half of the 150 House of

Representative posts. In addition George Bush will carry Republican banner in the U. S. Senate race against incumbent Democrat Ralph W. Yarborough.

WATER POLLUTION — Atty. Gen. Waggoner Carr's opinion committee on the oil-field-waste disposal question may postpone its decision meeting indefinitely now that Superior Oil Company was filed suit against the Texas Water Pollution Control Board, asking for a declaratory judgement against the agency.

A decision by former Atty. Gen. Will Wilson ruled that the board has jurisdiction over disposal of oilfield wastes under the Water Pollution Control Act passed by the 1961 Legislature.

Railroad Commission asked Carr to issue a new ruling after a group of oil companies raised board has jurisdiction over dis- strong objections to the board's regulatory action. Superior's filing of the suit may change the picture entirely on any new opinion.

CONNALLY HONORED — Gov. John Connally returned from the national Governors Conference in Cleveland, Ohio, with an important new appointment. His selection as first chairman of the Democratic Governors Caucus was a unanimous one by the 50 Democratic state chief executives.

Reportedly, Connally also was given some consideration for chairman of the 1965 Governors Conference, although he is in his first term. The governor will hold his first major caucus just before the National Democratic Convention in Atlantic City, N. J., during August.

NATIONAL GUARD CONCERNED — Texas National Guard Association expressed concern over reports that U. S. Department of Defense would stop logistical support to the so-called "reinforcing service."

These units, said NGAT, would provide a mobilization base on which the county would build its force in event of large-scale war.

Texas' 49th Armored and 20th Infantry divisions are both part of this "reinforcing reserve," as is the 90th Reserve Division.

MANUFACTURING PLANTS TOTALED — Texas had a total of 10,325 manufacturing plants which added \$6,400,000,000 of value by processing raw materials into finished goods in 1962, according to the "Annual Survey of Manufacturers," recently released by the Bureau of Census.

Figures represent an addition of \$589,000,000 capital expenditure for new plants during a single year. Some 500,000 plant workers earned a total of \$2,700,000,000 for the year, while 350,000 production workers earned \$1,600,000,000.

Food processing was the largest employment with 80,239 employees. Biggest investment was made by the chemical industry, with \$167,000,000 in new capital expenditures. The petroleum refining industry spent \$155,000,000 for plant construction and improvement.

RAILWAY AUTHORITY — U. S. Representative Henry B. Gonzales has asked support from Governor Connally, Lt. Gov. Preston Smith and House Speaker Byron Tunnell on his recent introduced bill which aims at creating a multi-state railway authority for Texas, New Mexico, Arizona and Cal-

ifornia.

Gonzales told them, "This is truly a states' rights program. States involved would jointly investigate and determine their own needs in the area of passenger rail transportation. He further stated that "In my judgement, passenger rail transportation has not been adequately developed and is not presently competitive with other modes of transportation — particularly in the Southwest."

FIRE INSURANCE — After July 1, it will be illegal for an insurance company to charge less than 6 percent interest per year on delayed premium payments for fire insurance, a new State Board of Insurance ruling decrees.

Several years ago, the board issued this same rule, but withdrew it when an objection was made by a company which charged no interest at all for deferred payments. An attorney general has held on two previous occasions that the board has no authority to set minimum interest rates on deferred payments, but Attorney General Carr has advised the board to take a new track.

However, litigation is entirely possible on the part of insurers who would prefer to deviate from the ruling by charging less than the new minimum.

APPOINTMENTS ANNOUNCED — Governor Connally named Tom Pegues of Mineola and Charles T. Wick- ersham of Orange to the board of directors of the Sabine River Authority. He reappointed

Gus Orsborn Jr. of Emory. Appointments extend until July 6, 1969.

Col. Homer Garrison Jr. has chosen Norman V. Suarez of Austin as legal counselor for the Texas Department of Public Safety. He succeeds the late Bill Kavanaugh of Round Rock.

TRIAL PUBLICITY EXPLAINED — Representatives of Texas' four major press associations met here with State Bar officials for the first of a series of discussions about news coverage of trials.

Texas Press Association, Texas Daily Newspaper Association, Texas Association Associated Press Managing Editors Association, and United Press International Managing Editors Association participated.

Talbot Rain of Dallas served as chairman of the panel.

Future conferences on the subject will be conducted for radio and television broadcasters and law enforcement officials.

EMPLOYMENT PICTURE — Texas Employment Commission

reports that in April total unemployment declined for the third straight month some 39,300 jobholders increased the employment total to 3,590,700.

Farm employment rose 17,800 to reach 300,700 by mid-April as seasonal workers were hired to plant a variety of row crops. This brought the total of seasonal workers to 105,800, or 3,500 more than at this time in 1963.

NEW PROGRAM PERMITS SUBS BETWEEN WHEAT AND GRAIN

To permit greater flexibility in farm operations, substitution between wheat and feed grains will be authorized under the 1965 program J. E. Nix, Chairman, Agricultural Stabilization and Conservation Jones County Committee, said today, announced early so that summer fallow operations for next year may take place promptly.

Agricultural legislation provides for such substitution in the 1964 and 1965 wheat and feed grain programs, but it could not be put into effect for 1964 because of the lack of time.

The chairman explained that the substitution will apply on individual farms only of the farm has a feed grain base or

oat-rye base, and a wheat allotment. The substitution provisions may be used by producers who meet at least the minimum diversion for both wheat and feed grain.

As this year's wheat program, marketing certificates will be issued in 1965 to program cooperators; however, the number of certificates allocated to a farm will not be increased because of the substitution of wheat for feed grains. The certificates will be provided for the smaller of (1) the normal production of the wheat acreage allotment, multiplied by the domestic and export allocation percentages — which will be announced later; or (2) the wheat acreage planted for harvest multiplied by the normal yield.

The total wheat production of producers who carry out wheat program provisions will be eligible for price-support loans even though the wheat acreage is in excess of the wheat allotment because of the substitution provisions.

When feed grains are grown in place of wheat, the feed grain production of program cooperators will be eligible for price - support loans. If support price payments are authorized as a part of the 1965 feed grain program substitution of feed grains for wheat will not increase the payments available; the price-support payments will be limited to the normal production of the feed grain base less the diverted acreage (at least the minimum diversion under the feed grain program.)

If a producer requests it, an oat-rye base will be established on the basis of the farm's 1959-60 average oat-rye acreage as adjusted. Wheat may be substituted for such crops. However, corn, grain sorghum, or barley may not be planted as a substitute for the oat-rye base acreage. If an oat-rye base is established, the producer will need to meet the minimum diversion for it also.

Cecil Terrell Sells Radio, TV Shop

Cecil Terrell, owner of Terrell Radio and T. V., has announced the sale of the business to Frank Shearer and Joe Aaron who will operate it as Hamlin Radio and T. V. Shearer, a native of New Mexico, is married to the former Margaret Aaron of Rotan. They have three children, Carol, 11, Frank, 9, and Carl, 3. They are members of the Church of Christ.

Aaron was born in Rotan. His wife is the former Julia Rivers, also of Rotan. They have four children, Belinda, 5, Doris, 3, Toni, 2, and Frankie Ruth, 6 months. They are also members of the Church of Christ.

The Shearers are living here now and the Aarons plan to move here in about two weeks. Both men have recently received their discharges from the Air Force.

More Books at Harden Library

Additional books have been placed on the shelves of Harden Memorial Library, according to a list released this week by Mrs. Jesse E. Johnson.

The books and authors are as follows: "A Bell for Adona" by John Hersey; "A Taste of Violence" by Britt Holliday; "Blondie, Dagwood Marvelous Invention" by Chick Young; "Place At Bowling Green" by Alfred Leland Crabb; "Arundel" by Kenneth Roberts; "Brave Pursuit" by Marguerite Allis; "The Wooden Lady" by Carolyn Keen; "The Scientists" by Eleazar Topsy; "Moon Gap" by Ann Chidester; "The Coriolis Affair" by Mary Deasy; "Pillar Of Cloud" by Jackson Burgess; "The Sunlit Ambush" by Mary Derby; "Blue Hurricane" by Van Wyck Mason.

Mrs. Johnson said Tuesday that several books were out of the library that need to be returned. Also, there is still a need for children's books to be added to the library.

QUEEN CONTESTANTS AT HAMLIN RIDING CLUB RODEO

'Fish Day' Winners Told: To be Held Each Monday

"Fish Day" at Hamlin Foundation Swimming Pool was termed a huge success, even though the five fish died. A perch was obtained and was turned loose five times to give the crowd a chance for the five passes good for five weekday swims each.

Winners, as announced by Dan Truelove, operator, were John Turner, 9, Paul Long, 14, David Thompson, 9, Larry Robertson, 10, and Mike Bookman, 13.

"Fish Day" is held at 3 p.m. on Mondays with five fish being turned loose, three in the shallow water, and two in the deep end.

Swimming lessons will get underway at the pool Monday, June 22, at 9 a.m. The class for intermediates will be held first followed by the beginners and advanced swimmers. Registration in each of the classes has been extended to Monday morning.

The beginning class will teach the basic fundamentals of breathing and strokes. The intermediate class will review the basic principles and is designed to instruct the swimmer in increasing the strength and efficiency of each stroke.

The advanced class will continue the teaching of strokes, dives, the fundamentals of life saving, artificial respiration, water safety, etc.

Lessons will be given over a three week period with each swimmer receiving 10 instructions. Price for the lessons will be \$10 per person.

The pool will be closed on Thursday instead of Wednesday beginning June 25. Truelove announced Wednesday.

Mrs. Camille Simmons was in Abilene June 8-10 attending an Area IV in-service training of homemaking teachers.

JAYCEES SET JUNIOR GOLF TOURNEY HERE

The Hamlin Jaycees will sponsor a Junior Golf Tournament here Thursday June 25, according to C. R. Dansby, president. The tourney will be a part of a state-wide Jaycee project.

Dansby has appoint Lane Fletcher as chairman of the local contest.

The tourney will start at 1 p.m. and will be medal play in two divisions, novice and open. There will be two trophies given in each division and the top two golfers in each division will complete in a regional tourney in Stamford June 30 and July 1.

All entrants must not have reached his 18th birthday before August 15, 1964, to be eligible to participate.

A novice is defined as one who has never participated in a state or national tournament, this includes any interscholastic league tournament or Jaycee sponsored tournament in golf, and who does not consistently shoot in the 70's.

Boys interested in competing in the tourney may call Fletcher at SP 4-1595 or write to him at 531 N. W. Ave. F, Hamlin.

At Girls State

Nancy Ford, daughter of Mr. and Mrs. H. L. Ford, and Mary Lois Patterson, daughter of Mr. and Mrs. La Foy Patterson, are in Austin this week to attend Girl's State on the campus of the Texas School for the Blind. The girls, both seniors this fall, are sponsored by the American Legion Auxiliary of Sylvester and the Hamlin Rotary and Lions Clubs.

The meeting is held June 17 through June 26.

TWO HORSE SHOWS AND SALE PLANNED DURING 'REUNION'

At least two important horse shows and a sale of blooded horses will be held this year during the Texas Cowboy Reunion, in Stamford July 2-3-4.

ers over the Southwest have Webb, known to Palamino owners. Cecil Eager and Mrs. B. R. arranged a Palomina show with more than 50 entries, starting at 9 a.m. on the morning of Saturday July 4th. This is a fully approved P.H.B.A. show and the judges will be so approved. Show points to be awarded both horses and owners.

Between halter classes and performances classes, this year is instituted a "youth class" for any kind or color of horse, must be ridden by 15 year old, or younger boy or girl. This class to be judged 75% on horsemanship and 25% on horse. There will be trophies and ribbons for all participants. Entrance fee in this event is to be only \$2.

Romer Merriott announces that Cattleman's Roundup for

Crippled Children will this year hold a horse sale on July 2 at the Reunion horse show headquarters at 1 p.m. Merriott said "Morrison and Carlile said to the West Texas Rehabilitation firm are holding the auction without charge, proceeds to go to the same cowhands who work in the show arena — are users and purchasers of good cowhorses — and we feel the combination of the Texas Cowboy Reunion and a charity sale of good horses is a fine thing."

Merriott further stated "there will be 31 classes in the registered quarter horse show including halter and performance horses; judged by the well known Russell Moore of Plainview. Halter events will begin at 8:30 July 2 and performance quarter horses will workout early July 3. In the barrel race we have reversed the field — so there is no chance of injury to the riders. A total of 250 horses are needed for a class "A" show and we will have them at the Cowboy Reunion.

Local FFA Officers Attend Training School in Ruidoso

Officers for 1964-65 of the Hamlin Chapter of Future Farmers of America attended an officer training school June 10-13 in Ruidoso, N. Mex. They were accompanied by their sponsor, Mr. Wilburn Wink.

Attending were Holman Jones, president; Mike Smith, secretary; Jimmy Hawkins, reporter; and Tommy Ferguson, sentinel.

The boys were familiarized with the duties and responsibilities of their respective offices.

The group also discussed activities of the local chapter for the coming year.

Five From Here To Attend McMurry Band School in July

Abilene — Five teen-agers from Hamlin were accepted as students to attend the 17th Annual McMurry College Band and Twirling School, July 12-25.

Scheduled to receive specialized training at the two-week school are Sharon Renee Nail, flute; Terese Elaine Perrin, flute; Patricia Perrin, clarinet; Cindy Bryant, clarinet; and Lynn Brannon, bass clarinet. The five youths will also receive twirling instructions at the clinic.

More than 200 students have enrolled for the two-week summer band school with over 400 students from all over Texas expected to attend the band school for specialized training.

Dr. Raymond T. Bynum, director of the band and director of the McMurry College Band, and several other band directors and twirling specialists will be the instructors for the school.

Classes will offer specialized training in individual instruments, conducting, marching, stage band, theory, concert band, twirling and drum majoring.

Besides the band training, several other sponsored activities will be held for the students attending the school. Many of the students will live on the campus of McMurry in dormitories during the two-week school.

The school is still open to students interested in attending the specialized school, according to Dr. Bynum. More information about the band clinic can be obtained from Dr. Bynum.

Singing Sunday

The Jones-Fisher County Singing will be Sunday, June 21, at the Foursquare Church at 2:00 p.m. They have their new books and are expecting a large crowd of good singers. Everyone is invited.

Bridge Results

Jack Russell and Gene Knab won first in the Hamlin Duplicate Bridge Tournament. Mr. and Mrs. Henry Albritton won second and Mrs. Gene Knab and Mrs. Floyd Briscoe were third.

The next meeting will be Tuesday at 7:00 at the Oil Mill Guest House.

Heavy Rains Delay Rodeo

The first two performances of the Hamlin Amateur Rodeo were held after the show finally got underway here Monday evening. The show originally scheduled for June 11, 12, 13, was postponed because of rains on each of the days which totaled 2.43 inches.

Sunshine Monday and Tuesday was a welcome sight to the contestants and members of the Hamlin Riding Club, sponsors of the annual event.

The downtown parade at 4 p.m. Monday started the festivities. The riding clubs taking part in the parade were given trophies following the grand entry Monday evening. First place trophy was presented to the Stonewall County Sheriff's Posse, second to Stonewall Junior Posse and third place went to the local club.

Results of the first go round as tabulated Wednesday by the rodeo secretary, Mrs. T. W. Flenniken, follows:

BAREBACK RIDING: Keith Loyd Colorado City, 42 pts.; Sidney Johnson, Enyder, 41 pts.; Sammy Wilson, Slaton, 27 pts. Only three have qualified.

CALF ROPING: Mac Baggett, Merkel, 11.7; Joe Templeton, Abilene, 12.6; Jerry Knox,

Quannah, 13.3; Tommy Wilson, Abilene, 14.5.

CALF ROPING 45 and OLD: R. Mike Sims, Abilene, 15; Red Whitley, Crosbyton, 16.6; Robert Koonce, Jayton, 20.6.

BARREL RACE: Debby Ferguson, Petersburg, 18.9; Marie Voss, Snyder, 19.3; Dorothy

Bourland, Colorado City, 19.4; Myrtle Davis, Merkel, 19.6.

HEAD AND HEELING: Kenneth Mauldin-Oris Reynolds, 17.1; Glen Murphy-Burl Hiltson, 18.5; Red Whitley-Boyes Hart, 21; Truman Mauldin-Kenneth Mauldin, 23.7.

BAREBACK RIDING: Montie Elms, Killeen, 50 pts.; "Squirrely" Northcutt, Colorado City, 48 pts.; Wayne Gleghorn, Lamesa, 45 pts.; Bob Lockhart, Breckenridge, 35 pts.

Monday evening the calf scramble for six year olds and under was won by Jerry Don Johnson who received a belt buckle.

The top three goat sackers were Gary Kendrick, Robert Bolden and Robert Bookman.

Monday evening flag race winners were Brenda Reese of Aspermont, first, 11.5; Steve Gibson, second 11.6; Debbie Elmore, third, 12.1.

Marolyn Reynolds received the steak dinner for the lucky program number.

Tuesday evening's children's events were won by the following:

Calf scramble, six years old and under, Jamie Law of McCaulley.

Goat sacking, 12 years old and under, Donald Bookman, first; Maxine Murphy, second, and third Paul Porter.

Flag race, Craig Diddle, Clay-tonville, 11.1; Karen Ford, Lueders, 11.4; Debbie Elmore, 11.5.

Mitzi Hunter was winner of the two steak dinners.

The rodeo queen was to have evening performance. The winner named at the Wednesday show and other finalists in the show will be given in next week's issue.

Contestants include Kay Hodnett, Sharee Nail, Debra Blanton, Judy Jenkins, Pat Perrin, Sharon Hawkins, Jane Carol Turner and Anna Adams.

Buddy Poppy Sale Nets \$182.98 Here

The Veterans of Foreign Wars and their Ladies' Auxiliary have reported \$182.98 received from the Buddy Poppy Sale held last month.

The group expressed their appreciation to the people who made donations to the Camp Fire Girls who helped with the sale.

The money is used to aid needy members in the V. F. W., for veterans hospitals, and the V. F. W. National Orphans Home in Saton Rapids, Mich.

TO Attend SMU Cheerleader School

Here's why we chose S&H Green Stamps

When we decided to give our customers trading stamps we insisted on the best. So, naturally, we selected S&H Green Stamps—and for these very important reasons.

S&H Green Stamps are America's most valuable stamps so you get more gift value on the finest top-quality name-brand gifts. You can trust S&H to have the gift you want—when you want it—because S&H is America's oldest, most reliable stamp plan. Over 35,000,000 smart, thrifty women save S&H Green Stamps. Remember, only 1200 stamps fill your S&H book.

You're so smart to save America's Most Valuable Stamps

OLD GLORY ...

By Judy White

Mrs. Charlie Letz is in Denver, Colo., visiting with her daughter, Mrs. O. D. Vanderworth and family.

Mr. and Mrs. V. R. Leverett, Sharon and Jimmy spent a day at Six Flags over Texas recently.

Gene Linder was a dinner guest in the home of Mr. and Mrs. Ben Klump last Sunday.

Mr. and Mrs. Jack Powers were dinner guests in the home of Mrs. Bernice White and

Judy last Sunday. The Powers have moved back to Abilene after making their home on the Ward Ranch here in Stonewall County for several months.

Mr. and Mrs. Travis Bell and Mr. and Mrs. Beno Hertenberger spent last week end in Fort Worth visiting relatives.

Mr. and Mrs. W. G. Wienie, Mrs. Katie Gerloff, and Mrs. Tillie Dippel attended a birthday party honoring Mrs. Lena Quade on her eighty-second birthday in the home of Mr.

PHILOSOPHER SEES DAY WHEN POLITICAL SPEECHES WON'T BE NECESSARY ON T. V.

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 apparently has heard about the computer machines the television industry is using, his letter this week indicates.

Dear editor:

As I understand it, a lot of people are complaining because the television companies' computer machines are now announcing the results of election before the elections are over.

They say this is unfair, that a man started to the polls late in the afternoon and hearing that somebody has already been declared the winner, will stay at home, although I doubt this, as he knows good and well there won't be anything else on television that evening anyway except election returns.

None the less, some Congressmen want to pass a law prohibiting the machines from announcing their verdict until the polls have closed.

This is an issue which I find it hard to get involved with. I just don't have any feelings toward machines, one way or another. I'm just not emotionally involved, although I'll admit I've said a few unkind things about my tractor when it wouldn't start, which is offset by the fact there have been times when it suited me even better because it wouldn't start. I've never been to one to consider a piece of machinery or a human being useless just because neither was out burning up the miles. A man and a machine both ought to be allowed to refuse to budge for no reason at all if the mood strikes.

But back to the election computers. If the television industry's machine can accurately and without fail predict the outcome of an election just by looking at a few isolated votes, why can't the newspapers perfect a machine that'll predict

what the television machine will say?

Then of course television can counter with one that'll predict what the newspaper machine will predict about the television machine will predict, on so on, back and forth, until you can be informed how an election will come out five years before it's held.

Obviously, with elections thus pre-determined and pre-announced, there'd be no need for campaign speeches on television and a man could turn on his set and get Wagon Train when Wagon Train is supposed to be on. Or if somebody feels he has to deliver a speech, hook him up to the computer and let him deliver it to it.

Yours faithfully,
J. A.

Solid Tent Anchor

To anchor your tent on soft ground, get a log about the length of the tent, fasten the ropes to it and bury the log about a foot in the ground. It will hold in a stiff breeze.

Salt Box Pait Box

A one-pound salt box makes a perfect container for carrying crickets and grasshoppers. Punch in a few breathing holes, pull out the spout and slip in the insects. When you are ready to fish, open up the spout

and drop them out, one at a time.

Individual tourists entering Mexico from Texas in the first nine months of 1964 showed an increase of 123,930 over the same period in 1962.

Broccoli leaves are good cooked as greens.

Mr. and Mrs. Vesta Townley and Bob from Huntington Beach, Calif., are visiting Mr. and Mrs. Everett Townley, Mr. and Mrs. Jack Townley and Mr. and Mrs. J. E. Beards this week.

Mr. and Mrs. W. E. Newsome attended the funeral service of his cousin, G. G. Richardson, in Abilene at Elliott's Funeral Home Tuesday morning.

PAGE FOUR

THE HAMLIN HERALD
Hamlin, Texas, Thursday, June 18, 1964

MR. AND MRS. CURTIS CARTER MAKING THEIR HOME HERE

Mr. and Mrs. Curtis Joe Carter are making their home here

at 446 West Lake Drive following their marriage in Albany June 6. The bride is the former Teena Gene Abbott, daughter of Mr. and Mrs. Gene Abbott of Albany. The bridegroom's parents are Mr. and Mrs. C. T. Carter of Hamlin.

The wedding was solemnized at 8 p.m. in the fellowship hall of the First Baptist Church. Rev. Marion E. Kirchner, pastor, conducted the double ring ceremony.

The bride, given in marriage by her father, wore a street-length dress of white silk organza, designed with full skirt, molded bodice and three quarter length sleeves trimmed with lace. Her fingertip veil of silk illusion was caught to a coronet of iridescent sequins. She carried a cascade arrangement of white Frenched carnations atop a white Bible.

She was attended by Ginger Dennis as maid of honor. She wore a blue two-piece dress of dacron, designed with front tucking and long sleeves. Her corsage was of white Frenched carnations.

Ronnie Parsons of Roby was best man.

Janet Dodgen was pianist. Mrs. James Garvin was soloist. ceremony. Grace Carter, sister fellowship hall following the

The reception was held in the of the bridegroom, registered guests.

Hamlin High School this fall. High School. She plans to enter The bride attended Albany

She will be a senior.

Carter is a 1962 graduate of Hamlin High School and is employed by Celotex Corporation.

3-Day Workshop On Hats Planned

A three-day hat workshop has been set up for June 23, 24, and 25, according to Mrs. Camille Simmons, homemaking teacher. The workshop will be held in the clothing lab at the high school.

Anyone interested in making hats is invited to attend two workshop sessions which begin at 2 p.m. each afternoon.

MRS. WILBUR GENE MURFF
... formerly Fredda Bonifield

FREDDA BONIFIELD AND GENE MURFF WED IN CORPUS CHRISTI

Mrs. Julia Bonifield of Big Spring has announced the marriage of her daughter, Fredda, to Wilbur Gene Murff, son of Mr. and Mrs. Joe O. Murff of Hamlin. The bride is the daughter of Mrs. Bonifield and the late Mr. Fred Bonifield.

The couple were married in the First Methodist Church in Corpus Christi April 24. They are now residing at 1211 Post-office in Galveston.

The bride, an honor graduate of Big Spring High School, attended the University of Texas in Austin and is now a senior nursing student of the Uni-

Granddaughter Honored in Nebr.

Nancy Lorenz, granddaughter of Mrs. W. R. Redus, was installed as worthy advisor of Westside Assembly 22, Order of Rainbow for Girls, in May at the Centennial Masonic Temple in Omaha, Nebr.

Miss Lorenz is the daughter of Mr. and Mrs. A. W. Lorenz Jr. of Omaha. Mrs. Lorenz is the former Wilma Redus. She was graduated from Hamlin High School.

Sellers to Meeting

Mr. and Mrs. Cecil Sellers will attend the 1964 Livestock Marketing Congress to be held in Richmond, Va., June 18-21.

Included in the events of the Congress are the annual convention sessions of two livestock industry trade associations, the Certified Livestock Markets Association and the National Livestock Dealers Association. Sellers is president of the NLDA.

BIRTHS

Mr. and Mrs. Paul Radoifo Ramon of Rotan are the parents of a baby boy born June 14. He weighed 6 lb. 13 oz. and was named Omar.

Barry Cheshier left Monday for an eighteen month tour of duty in Nicosia, Cyprus. He will work in the American Embassy handling dispatches. He will spend one day in Rome before arriving in Cyprus.

Johnny Stovall is enrolled at Hardin-Simmons University, Abilene, not Southern Methodist University, as erroneously reported last week.

Mr. and Mrs. Bob Craig will attend the 85th annual summer convention of the Texas Press Association to be held June 18-21 in the Shamrock Hilton Hotel in Houston.

Keith Greenway of Andrews is visiting with his grandparents, Mr. and Mrs. Norman Carlton.

Mr. and Mrs. Otto Williams of Dalhart visited last week with her brother, E. C. Feagan. Mrs. Feagan, and other relatives. Mrs. Williams is the former Lucy Belle Feagan. They were married here more than 30 years ago and then moved to Dalhart.

Jones County Rally Day to Be Held in Anson June 25

The Annual Jones County Home Demonstration Rally Day will be on Thursday, June 25 at the Anson Lions Club Hall.

Registration will begin at 10:00. Recreation will follow at 10:30 to 11:00 led by Mrs. Carl Young, Home Demonstration Council recreation leader. Before the covered dish luncheon at 12:00, there will be a preview to the Comic Style Show

with Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent, as commentator. The Comic Style Show will be on August 28 at Anson. Details are to be announced later.

After lunch, there will be a white elephant exchange time and entertainment by the different Home Demonstration clubs. The Home Demonstration recreation leader of each club will be responsible for 5 to 7 minutes of entertainment.

Visitors in the home of Mr. and Mrs. Norman Carlton Sunday were Mmes. Carl Carlton,

Joe Carlton, Cecil McCafferty, Walter Osment, and Miss Sarah Carlton, all of Stamford.

FAIRVIEW NEWS

By MRS. ELMER JOINER

This has been a wonderful week, weatherwise, since we have had over four inches of rain, falling three different mornings. No wind, very little turbulence of any kind, just a nice gentle rain. However, some sectors of the country were not so fortunate, having bigger, washing rains, but all in all the rain was wonderful, for which we are all very thankful. Little cotton looks

as if it grows an inch every day, maize which was in a critical stage, will make a good crop now, so every one should be very happy, especially the farmers. Regardless of the good things that happen in our lives, there are always the sad things too, and when we see our friends in sorrow, we sorrow with them. Our sympathy goes out to the family of Mrs. Billy Holmes,

who passed away last Wednesday, in an Abilene Hospital, after having had surgery the Saturday before.

Mrs. Holmes was buried Thursday, in Anson, and was the daughter-in-law of Mr. and Mrs. Larry Holmes, who are well known in our community. Her brother, Gary Blankenship, also resides here on the Rufus Herbst place, besides the Flavil Holmes, uncle of her husband. Relatives attending from other places were: Mr. and Mrs. Clinton Holmes and family, Plainview; Mrs. Carl Logan and son, Brownfield; Mrs. Dancy Cohan, Ronnie and Julie, El Paso; Mr. and Mrs. Terry Holmes, Odessa; Mr. and Mrs. Glen Green and girls, Albuquerque, New Mexico.

Mr. and Mrs. Glen Green and girls, spent Wednesday night and Thursday with Mr. and Mrs. Flavil Holmes. Other visitors last week with the Holmes was their son, Mr. and Mrs. Jimmy Holmes and Melody, spending the week, enroute from Taft, Texas, to Midland, where they will make their home until school starts in the fall, when they will move to Big Spring, as Jimmy will teach there in the school system.

Mrs. Woodrow Goodwin went home from the Hamlin Hospital, last Tuesday morning, after having had surgery the week before. She hadn't felt very good since coming home, but at last report Sunday, she was improved.

Visitors in church Sunday morning were Mr. and Mrs. Greenway and daughter, who live in Newcastle, Wyoming. They are here visiting his father, Roscoe Greenway of Hamlin, having just ended a visit with his sister, Mr. and Mrs. Barron and boys, of Borger.

Mr. and Mrs. Fred Rosenbaum went to Waco, Sunday, to attend the annual Downey reunion. They came back by Fort Worth, where they spent the night with her brother and family, D. T. Downey.

Mrs. Mary Sue Henry, Rule, was a dinner guest of Mr. and Mrs. E. A. Henry, Sunday.

Mr. and Mrs. Henry went to Snyder Saturday, to visit their son, Clois, and family.

Sonny Joiner, San Antonio, stopped off both Thursday and Sunday, for a short visit with Mr. and Mrs. Elmer Joiner, enroute to Carlsbad, New Mexico, to attend a former prisoner-of-war meeting. Most of the men captured on Bataan by the Japanese, were from New Mexico, but even though it was for residents of that state, they also invited any from the surrounding states. Mr. Joiner did not see any of the men that were with him in the coal mines in Japan, but he did meet two that were on the ship, going over to that place from the Philippines.

Mr. and Mrs. Winson Gray went to Anson, Saturday night, where they visited with his parents, Mr. and Mrs. E. C. Gray. His sister, Mrs. Aubrey Skipper, of Alvarado, Texas, was also present.

Mr. and Mrs. Bill Clements, and Sherry, came from Lubbock, last Thursday and visited with Mr. and Mrs. Jack Wright and children.

Weldon Wainwright, who lives in Gary, Indiana, son of George Wainwright, is in the Mayo Clinic, at Rochester, Minnesota, where he is taking treatments

for lung cancer. The doctors are hopeful that the treatments will be successful, may we remember him and his family, in this time of worry.

Since it has been some time that we haven't reported on Miss Maude Drake, who had eye surgery some time ago, will say that she can see and is carrying on a normal life again, and is still happy over getting her sight restored.

Jerry Joiner, Odessa, visited last week with his grandparents, Mr. and Mrs. Elmer Joiner and Mr. and Mrs. Charlie Durham, and with Larry McCoy.

Blackeyed peas should be plentiful out our way pretty soon, as most folks had a little patch planted, barely holding on in the dry weather, but since the rain they will soon make peas being one of the staples of West Texas.

Mrs. Mary A. Moore, Consultant for Area IV, Homemaking Education, Texas Education Agency, visited with Supt. C. F. Cook and Mrs. Mamie Simmons, homemaking teacher, at Hamlin High School Tuesday.

Dr. J. R. Schwartz, a New York dentist, carves ivory as

PFC Lloyd Woolf Now at Fort Gulick

FORT GULICK, C. Z. (AHTNC) — Army PFC Lloyd C. Woolf Jr., whose parents live in Hamlin, was assigned to Fort Gulick, C. Z., May 29. Woolf is assigned as a radio operator in Company B of the 8th Special Forces Group's 1st Battalion at the fort.

The 20-year-old soldier entered the Army in August 1962 and completed basic training at Fort Polk, La.

He attended Hamlin High School.

Certain areas of the ocean can produce about 1,000 pounds of shrimp per acre annually.

ALL APPROVED OIL COMPANY CREDIT CARDS ACCEPTED

NEW HERBICIDE RECOMMENDED FOR JOHNSON GRASS CONTROL

Disodium Methantarsionate (DMA), a relatively new herbicide is now recommended on a trial basis for the control of Johnson grass in cotton, according to information this week Kirby Clayton.

DMA may be applied with a tractor sprayer, but the nozzle adjustment must be arranged so as to lateral the spray in under the cotton leaves, says Clayton. It is not recommended as a topical or foliage spray.

The first application can be made when the cotton is 3 inches tall, and two applications, if properly applied, may be made per season without injury to the cotton. The second application is usually applied one to three weeks later. Under no conditions should the cotton be sprayed with DMA after it starts blooming. Spraying after the cotton starts blooming will result in arsenic residue in the cotton seed as well as reduce the yields of cotton, says Clayton. Arsenic residues can be picked up even in the check samples. However, when used in accordance with the directions, the level of arsenical residue found in the seed is not significantly increased. Over-the-top applications at any stage of growth raised the level of arsenical residue in the seed significantly.

Misuse of material could result in the material being pulled off the market for use on cotton.

DMA will be marketed in both a liquid and powder form. The powder goes into a true solution and once mixed, there is no need to worry about it staying suspension.

Mix at the rate of four to six pounds of 63% powder per 50 gallons of water and one quart of surfactant. Apply this mixture as a directed spray at the rate of 12 gallons per acre on a 12 inch band. Do not store spray solution in tank for prolonged periods of time, and clean application equipment thoroughly after use by flushing out with water.

Complete plans for rigging up a tractor spray for use with DMA are available at the county agent's office.

One final word of caution from the agent—Be sure and

NOT EVERYONE ELIGIBLE FOR SOCIAL SECURITY BENEFITS

"More than once I have been asked, 'does everyone who applies for social security benefits get paid?'" says R. R. Tuley Jr., Abilene district manager for the Social Security Administration. "The answer, of course, is 'no', something difficult at times to say to someone who believes he is due payment."

"However, the Social Security Administration has an obligation to the public," Tuley went on, "particularly to the contributors to the social security trust funds, to make certain that benefits are paid only to persons entitled to them. The fact that a claim is read the label and follow instructions carefully."

denied reflects no discredit upon persons who file in good faith and make no attempt to deceive or mislead the Administration."

"We have other protective responsibilities," he added. "We must make sure that benefits are paid to one person for the use of another are actually used to benefit the other person. This situation arises in several ways. A minor child, or an incompetent adult may not have a parent to act on his behalf. We are careful in selecting someone to act as payee in such cases. Once a person is selected, he is informed of this responsibility in properly expending funds for the use and benefit of the child or incompetent adult. We do not just start the payments

and then forget the matter. Periodic checks are made to make sure the funds are handled properly and benefit the claimant."

"We sometimes receive telephone calls or letters from people asking if it is necessary to select a substitute payee when a beneficiary becomes physically unable to sign his or her own name because of injury, arthritis or similar impairment. As long as the person's mental condition does not prevent him from managing his or her funds, the check can be endorsed by mark and properly witnessed. Full instructions are on the back of each Federal check," Tuley reminded.

He added that the public is always invited to write the Social Security office in Abilene at any time a question needs answering.

Coral snake bites are fatal in about 20 per cent of the cases.

Fast Draw Aid
A mixture of graphite powder and vasoline rubbed inside a pistol holster makes it much easier to remove you handgun. Should be a big help to the fast-draw artist, too.

Floating Fish Stringer
Ever had a stringer of fish slip from your grasp and sink from sight? Sickens sensation isn't it? A good preventative is to add a float to the stringer. Then, should it break loose or slip from your hand, there's no problem in recovering it.

Improved Gun Cleaner
A first-rate gun cleaning rod can be improvised from a piece of flexible cable with pipe cleaners wrapped around it. An old speedometer cable will do.

The fangs of the cobra are smaller than those of the rattlesnake but its venom is more toxic.

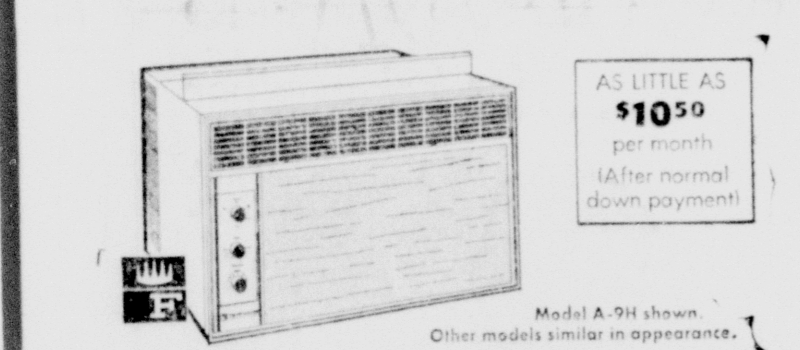

For a child or an adult to achieve properly and efficiently they must have good vision. Only a vision specialist giving a thorough examination can determine your visual needs. A thorough examination takes time.

Beef Facts
Safeway beef prices are lower. That you can check for yourself. Safeway beef sales are up. Up to as much as the U.S. increase in beef consumption, proving the effectiveness of Safeway's program of beef promotion. The values that beef offers. Safeway does not own, raise or feed any livestock, either directly, on contract or in any other way—and does not own or operate any meat slaughtering plants. Safeway has everything to gain by working for, not against, the prosperity of beef producers. Families of producers, feeders, shippers, and local businessmen directly dependent on agricultural income are very important to us as customers—and we need strong products to supply us with the quality and quantity of beef required to satisfy our customers.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — A study of the recent party primaries and run off elections reveals that the number of Republican candidates on the upcoming General Election ballot in the grassroots area, will strengthen the ever-growing trend toward a complete two-party state.

For example, 18 Democratic nominees for sheriff will face Republican opponents in No-

Also, the Republican party is engaged in one county judge race (in Lubbock County); seven races for county attorney; two for county clerk; 12 for county tax assessor; two for county superintendent of schools; and 78 for county commissioner.

GOP also has candidates for most top state posts and more than half of the 150 House of

Representative posts. In addition George Bush will carry Republican banner in the U. S. Senate race against incumbent Democrat Ralph W. Yarborough.

WATER POLLUTION — Atty. Gen. Waggoner Carr's opinion committee on the oil-field-waste disposal question may postpone its decision meeting indefinitely now that Superior Oil Company was filed suit against the Texas Water Pollution Control Board, asking for a declaratory judgement against the agency.

A decision by former Atty. Gen. Will Wilson ruled that the board has jurisdiction over disposal of oilfield wastes under the Water Pollution Control Act passed by the 1961 Legislature.

Railroad Commission asked Carr to issue a new ruling after a group of oil companies raised board has jurisdiction over dis- strong objections to the board's regulatory action. Superior's filing of the suit may change the picture entirely on any new opinion.

CONNALLY HONORED — Gov. John Connally returned from the national Governors Conference in Cleveland, Ohio, with an important new appointment. His selection as first chairman of the Democratic Governors Caucus was a unanimous one by the 50 Democratic state chief executives.

Reportedly, Connally also was given some consideration for chairman of the 1965 Governors Conference, although he is in his first term. The governors will hold their first major caucus just before the National Democratic Convention in Atlantic City, N. J., during August.

NATIONAL GUARD CONCERNED — Texas National Guard Association expressed concern over reports that U. S. Department of Defense would stop logistical support to the so-called "reinforcing service."

These units, said NGAT, would provide a mobilization base on which the county would build its force in event of large-scale war.

Texas' 49th Armored and 28th Infantry divisions are both part of this "reinforcing reserve," as is the 90th Reserve Division.

MANUFACTURING PLANTS TOTALED — Texas had a total of 10,325 manufacturing plants which added \$6,400,000,000 of value by processing raw materials into finished goods in 1962, according to the "Annual Survey of Manufacturers", recently released by the Bureau of Census.

Figures represent an addition of \$589,000,000 capital expenditure for new plants during a single year. Some 500,000 plant workers earned a total of \$2,700,000,000 for the year, while 350,000 production workers earned \$1,600,000,000.

Food processing was the largest employment with 80,239 employees. Biggest investment was made by the chemical industry, with \$167,000,000 in new capital expenditures. The petroleum refining industry spent \$155,000,000 for plant construction and improvement.

RAILWAY AUTHORITY — U. S. Representative Henry B. Gonzales has asked support from Governor Connally, Lt. Gov. Preston Smith and House Speaker Byron Tunnell on his recent introduced bill which aims at creating a multi-state railway authority for Texas, New Mexico, Arizona and Cal-

ifornia. Gonzales told them, "This is truly a states' rights program. States involved would jointly investigate and determine their own needs in the area of passenger rail transportation. He further stated that "In my judgement, passenger rail transportation has not been adequately developed and is not presently competitive with other modes of transportation — particularly in the Southwest."

FIRE INSURANCE — After July 1, it will be illegal for an insurance company to charge less than 6 percent interest per year on delayed premium payments for fire insurance, a new State Board of Insurance ruling decrees.

Several years ago, the board issued this same rule, but withdrew it when an objection was made by a company which charged no interest at all for deferred payments. An attorney general has held on two previous occasions that the board has no authority to set minimum interest rates on deferred payments, but Attorney General Carr has advised the board to take a new track.

However, litigation is entirely possible on the part of insurers who would prefer to deviate from the ruling by charging less than the new minimum.

APPOINTMENTS ANNOUNCED — Governor Connally named Tom Pegues of Mineola and Charles T. Wick- ersham of Orange to the board of directors of the Sabine River Authority. He oreappointed

Gus Orsborn Jr. of Emory. Ap- pointments extend until July 6, 1969.

Col. Homer Garrison Jr. has chosen Norman V. Suarez of Austin as legal counselor for the Texas Department of Public Safety. He succeeds the late Bill Kavanaugh of Round Rock.

TRIAL PUBLICITY EXPLAINED — Representatives of Texas' four major press associations met here with State Bar officials for the first of a series of discussions about news coverage of trials.

Texas Press Association, Texas Daily Newspaper Association, Texas Association Associated Press Managing Editors Association, and United Press International Managing Editors Association participated.

Talbot Rain of Dallas served as chairman of the panel.

Future conferences on the subject will be conducted for radio and television broadcast- ers and law enforcement officials.

EMPLOYMENT PICTURE — Texas Employment Commission

reports that in April total un- employment declined for the third straight month some 39- 300 jobholders increased the employment total to 3,590,700.

Farm employment rose 17,800 to reach 300,700 by mid-April as seasonal workers were hired to plant a variety of row crops. This brought the total of seasonal workers to 105,800, or 3,500 more than at this time in 1963.
